ABOUT THE SOCIETY

EASTS (Eastern Asia Society for Transportation Studies), an umbrella organization of transportation science societies in Eastern Asia, was founded in November 1994 following the meeting with transport experts from 13 countries/regions.

The primary objectives of EASTS are to foster and support excellence in transportation research and practice and to stimulate professional exchange in all aspects and modes of transportation.

There are currently 18 member domestic societies. It is expected more countries/regions to become member domestic societies.

ACTIVITIES

International Conference

The primary activity of the Society is to organize, generally once every two years, a conference on transportation studies, gathering researchers and practitioners from member countries/areas. **The next 11th conference is scheduled in 11-14 September, 2015 and to be held in Cebu, Philippines.**

Latest Conferences Date & venue	Conference Theme	# of Papers
10th Conference 9-12 Sep., 2013 in Taipei, Taiwan	Towards a Harmonized Transportation Society	500
9th Conference 20-23 Jun., 2011, in Jeju, Korea	Green Growth and Transport	425
8th Conference 16-19 Nov., 2009, in Surabaya, Indonesia	Enhancing Transportation Infrastructure and Services in Rapid Regional Growth	535

Public Relations

Visit www.easts.info! You can get information and papers of Online Journal and subscribe to EASTS News (an E-mail service).

International Research Group (IRG)

Several international cooperative research projects are being conducted as an International Research Group (IRG) approved by EASTS due to the increasing importance of international viewpoints in the transportation field. The IRG is expected to hold seminars and symposia as part of EASTS activities, and encouraged to apply for other funding sources and to coordinate with other organizations.

[Examples]

- **Logistics in Asia: Interdependent Supply Chain and Advancement of Intelligent Management**
- **Institutions for Railway Development in Asian Cities (IRDAC)**
- **Viability of Public Transport Harmonizing System with Para-Transit Modes**
- **International Comparative Research on Value of Travel Time in Asia**

(10 IRGs in total are now in action as of November 2014.)

International Cooperative Research Activities (ICRA)

EASTS is offering **research grants** to a group of researchers involved in transportation and related fields through its International Cooperative Research Activity (ICRA). The reports of past ICRA projects are available online.

FINANCIAL SUPPORT FOR PAPER PRESENTERS

EASTS has been offering financial support to researchers in developing countries to carry on their research, participate in international conferences, etc.

Please check the Call for Paper of EACH conference.

MEMBERSHIP

EASTS is welcoming members from all over the world!

How to Become a Member of EASTS

- Individuals who have a member domestic society of EASTS in their country -> Regular Membership Application through Member Domestic Societies
